Joint Operational Programme Black Sea Basin 2014-2020

Joint Operational Programme Black Sea Basin 2014-2020 is part of European Union's Cross-Border Cooperation (CBC) under its European Neighbourhood Instrument (ENI).

The total budget of Joint Operational Programme Black Sea Basin 2014-2020 is 54 mil. euro, out of which 49 mil. euro representing European Union contribution (ENI+IPA) plus national co-financing (10%).

Joint Operational Programme Black Sea Basin 2014-2020 is more focused objectives and indicators with more concrete and visible results, more accent on sustainability and horizontal aspects.

The overall objective of the Joint Operational Programme Black Sea Basin 2014-2020 is to *improve the welfare of the people in the Black Sea basin regions through sustainable growth and joint environmental protection*. Consequently, 2 specific objectives are set out to support the overall objective of the programme:

1. Promote business and entrepreneurship within the Black Sea basin
2. Promote coordination of environmental protection and joint reduction of marine litter in the Black Sea basin

The specific objectives will be pursued by means of priorities, which will be implemented as described below:

Specific Objective 1 - Promote business and entrepreneurship within the Black Sea Basin

Priority 1.1 Jointly promote business and entrepreneurship in the tourism and cultural sectors

Priority 1.2 Increase cross-border trade opportunities and modernisation in the agricultural and connected sectors

Specific Objective 2 - Promote coordination of environmental protection and joint reduction of marine litter in the Black Sea Basin

Priority 2.1 Improve joint environmental monitoring

Priority 2.2 Promote common awareness-raising and joint actions to reduce river and marine litter

The expected results under the Programme are:

Under Objective 1 - Promote business and entrepreneurship within the Black Sea Basin

Priority 1.1 expected result: Stronger cross-border business opportunities in the tourism and cultural sectors in Black Sea Basin

Priority 1.2 expected result: Increased cross-border links for trade and modernisation in the agricultural and connected sectors in Black Sea Basin

Under Objective 2 - Promote coordination of environmental protection and joint reduction of marine litter in the Black Sea basin

Priority 2.1 expected result: Improved availability of cross-border compatible environmental monitoring data and information within Black Sea Basin

Priority 2.2 expected result: Increased awareness on environmental challenges and good waste management practices related to river and marine litter within Black Sea Basin
