September

Baltic Dynamics 2013 in Riga, Latvia

October

BORDWIIS+ project meeting, Steering Committee meeting and study visit in Budapest, Hungary

OPEN DAYS workshop in Brussels, Belgium

November

ICT Day 2013 in NRW, Germany

BORDWIIS+ delegation visited North Rhine-Westphalia

The study visit started with a workshop at the Dortmund-project and was followed by a visit to the Fraunhofer Institute for Material Flow and Logistics. Both are excellent examples of smart specialization processes.
